

**Public Tender for Intelligent Pigging of High Pressure Natural Gas Pipelines
and for Establishment of Pool of Approved Contractors
(INGL/TENDER/2016/07) (the "Tender")**

Israel Natural Gas Lines Company Ltd. (the "Company"), an Israeli governmental owned private company, hereby publishes a public tender for intelligent pigging of high pressure natural gas pipelines (the "Services") and for establishment of pool of approved contractors (the "Pool").

The contract shall be effective as of the date of signature on the agreement, and until 3 years thereafter or until the date of its termination, whichever occurs first. The Company shall be entitled, at its sole discretion, to extend the contract period, by up to 2 years, up to one year on each extension.

The Pool shall include all the contractors that shall comply with the requirements specified in the Tender documents. The Company shall be entitled to apply to the contractors included in the Pool within 7 years, and to invite them to bid in relation to the Services.

Bidders complying with the threshold requirements specified below are hereby invited to participate in the Tender and submit their proposals.

Threshold Requirements

1. During 2010-2015, the Bidder has successfully executed 3 projects of intelligent pigging of MFL type of gas pipelines of 16" to 54" diameter, each such project of different diameter and of scope of at least 25 kilometers that were executed continuously. All or part of the abovementioned projects may have been performed for one client.
2. The Bidder employs the following professionals: 1) 3 technicians, each has executed at least 3 intelligent pigging projects that included complete successful MFL Tool Runs of gas pipelines of at least 16" diameter, during 2010-2015; 2) 2 engineers / academics experienced in analyzing MFL tests of intelligent pigging, each has executed during 2010-2015 at least 5 analysis' of such MFL tests which included writing of final report analysis according to the Specifications and Requirements for Intelligent Pig Inspection of Pipelines, version 2009, of the Pipeline Operators Forum.
3. The Bidder possesses an MFL tool, a caliper tool & a gauging plate pig and a cleaning pig, each such inspection tool suitable for pipelines of 18", 24", 30" and 36" diameter.
4. The Bidder is a corporation duly registered in a country / state according to the relevant provisions of law.
5. The Bidder had an annual average volume turnover of at least 3 million US Dollars during 2013, 2014 and 2015. For the purpose of compliance with this requirement or a part thereof, a Bidder may rely upon a direct or indirect parent company, as specified in the Tender documents.
6. The Bidder shall provide a valid ISO 9001 certificate or a comparable certificate. Alternatively, the Bidder shall provide an obligation to submit such certificate within 30 days from the date of award of the Services to the Bidder.

The detailed and binding threshold requirements are specified in the Tender documents.

General Information

In order to acquire the Tender documents, please apply to the Company by the following e-mail address: e-tender@ingl.co.il. The acquisition price is 200€.

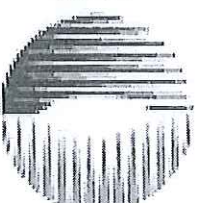

Bidders should submit their proposals **by hand delivery** to the Company's Contracts & Purchasing Department, at Atidim Tower (Building no. 8), 32nd fl., Kiryat Atidim, Tel Aviv, Israel, not later than June 1st, 2016 at 5 PM (GMT + 2, Jerusalem Time).

Requests for further information or clarifications should be submitted by e-mail only to: e-tender@ingl.co.il.

The Tender process shall include a best and final stage.

The Company does not undertake to award the contract to the successful Bidder or to any one of the Bidders. The Company reserves the right to conduct negotiations with the Bidders in any of the stages of the Bids' evaluation process and to cancel it altogether, at its sole and exclusive discretion. It is hereby specifically clarified that the Tender documents supersede this Announcement and have the sole binding effect and that all conditions and reservations specified in the Tender documents apply to this Announcement.
