

PRMS Tender No. INGL/TENDER/2017/30

1. The Israel Natural Gas Lines Ltd. (the "**Company**") hereby announces the revision of certain conditions of the Tender for the design, fabrication, delivery, installation, testing and commissioning, service and maintenance of Pressure Reduction and Metering Stations (PRMS) for a natural gas transmission system in Israel (the "**Tender**"), that was published by the Company on 19/12/2017.
2. Among other revisions, the Company **resolved to revise some of the Threshold Requirements applicable to the Financial Requirements.**
3. The full and binding details concerning the revisions made to the Threshold Requirements and all other revisions made to the terms and conditions of the Tender, are detailed in "Clarification number 2 and Amendment number 1 to the PRMS Tender" that was published on the Company's internet site www.ingl.co.il (under "Tenders").
4. **The Last Date for Submission of Bids was postponed to March 21, 2018, not later than 12:00 (Israel time).**
5. The Company reserves any and all of its rights under the Tender Documents, including its right to cancel the Tender or to disqualify any proposal, all in accordance with the terms of the Tender. The Tender Documents have the sole binding effect and they supersede this Announcement.
